Treasurer's report: Current Account £1551.20. Reserve Account £24399.47.

Correspondence: A letter was received from the Captain of Bromham K9's regarding the outcome of the dates offered in an away fixture in the Nomination Cup, which meant that they could not meet either of the dates offered, even though the game did not have to be played before 28th January. The committee were asked to give urgent attention to the rather strange situation. After discussion, the committee felt that the spirit of the game should be considered, and more co-operating dates should be offered, even though the rules state that two dates are what is required. The committee will be bringing the subject up at the AGM.
